What's Happening

By Becky Moore

Mr. and Mrs. Henry Pack, Jr. are back from a trip to Switzerland. (Jane is expecting another addition soon (not to the Appomattox Drug Store) to the family. The sign, "Broad" (her husband) put in the store, about the discount to all elderly people is true and nice, but what impresses me most, are the chairs provided for not only for the elderly but for anyone who wants to just sit and visit or "chat". You see a lot of people you know, and although the "pot belly stove" is gone the atmosphere of the "corner drug" is still there.

* * *

MICHAEL H. TORRENCE - Mike, as all his friends now him. Was just "grazing" when he was with Falling River Country Club a few years ago. Mike moved on to "greener pastures". He has just been named executive vice president of the Homebuilders Association of Central Virginia. A 1971 graduate of VPI, Mike plans include the organization of a home show and a parade of homes, in addition to planning programs to update members on legislative matters at all levels of government. Mike, Pat and Michel, age 4, are expecting another baby in December. They are at home on Annie Street, Appomattox.

* * *

Mr. and Mrs. David Nash - Marion and David have returned after a week long trip to Las Vegas, Nevada. The trip was sponsored by the Virginia Roadbuilders, this was an annual trip. David and Marion visited the "Hoover Dam" and also saw Robert Redford making a film at the Caesar's Palace. A thrill for them too was to fly out of Roanoke on Piedmont Air Lines where "our own". Lina Trent was stewardess.

* * *

Mr. and Mrs. James A. Beaty Jr. - Jim and helen Mae, are back home after a White Westinghouse Tour. They left Atlanta on a DC8 and flew to Malago, Spain, (this is part of regional of Costa De - Sol. Meaning "Sunny Coast", the Costa De-Sol is the same to Europe as Miami is to the United States. They stayed in Fuen Girola. They toured Malaga, Granada, Tangier, Mijas and Marbella.

Mr. Richard Bass - Dick, is home now after a brief stay in hospital last week. He was there for some tests, that sure seem to help him. I talked with Dick last evening and he says, he feels better than he had in months. Good News!

Lots of people that had the flu bug are feeling better, now that the "rains came" and as a ole (young) friend of mine says, "it's because the rain came and washed all those germs off the trees and out of the air, and into the ground." We can breathe better.

Home for the Holidays are Listed Below: I know there are lots more and we wish you all "A Happy Thanksgiving."
